January 28, 2014

The Community Service Officer Program within the Rutgers University Police Department is now hiring for the Fall 2014 semester. We are seeking highly motivated individuals who aspire to enter a career in law enforcement or emergency management. All full-time Rutgers University students are encouraged to apply regardless of your major!

You will have the opportunity to work alongside the Rutgers University Police Department where you will gain hands-on experience in law enforcement, emergency management, and security services. Becoming a Community Service Officer (CSO) can open the door to many exciting careers by providing the real life experience that appeals to many public and private agencies in the sector, while allowing students to maintain a flexible work schedule.

Qualifications

• Must be a full-time students at Rutgers University graduating 2015 or later
• Must possess a valid driver’s license
• Must pass an oral review board interview
• Must complete a background investigation
• Must be available to attend 40 hour training in July 2014

Visit the RUPD website today and complete your application today. Interviews will be scheduled throughout the months of October and early November.
**Why Join?**

- Gain valuable hands-on experience for careers in law enforcement, emergency management and security services.
- Competitive hourly rates of $10/hour including paid training.
- Ability to build your own schedule.

**Requirements...**

- Must be a full-time student at Rutgers, the State University of New Jersey.
- Should possess a valid driver's license.
- Must pass an oral review board interview.
- Must complete a background investigation.

As a Community Service Officer you will provide services for various departments within the University and the surrounding communities. Some of the services provided include:

- Direct support for the Rutgers University Police Department.
- Escorts on campus.
- Package checks at University events.
- Parking and enforcement and perimeter security at special events.
- Mobile & bike patrols of University property.
- Operate the Knight Mover Shuttle.
- Monitoring Closed Circuit Television.
- Participate in the Mounted Patrol Unit patrolling the Cook/Douglass campus weekly.
- Evening bus security.

CSOs are required to attend 40 hours of mandatory training before working in the program.

Upon completion of training, CSOs receive certifications in the following:

- Basic First Aid - National Safety Council
- Cardiopulmonary Resuscitation - American Heart Association
- Automated External Defibrillation - American Heart Association
- Defensive Driving - National Safety Council
- NJ CUPA Basic Security Officers Training Endorsement

Basic training curriculum also includes radio procedures, crime scene preservation, traffic safety, self-defense, and protection from blood-borne pathogens.
