

Thank you for your interest in Wegmans Food Markets. In order to further consider you for employment opportunities, **we kindly request that you complete our online application by Friday, February 6th**. You can do so by following instructions below. Once we have a completed application on file, we will have a member of our recruitment team review your information and pass it along for further consideration for any position that matches your interest and our needs. If you have previously applied online to Wegmans.com, you may log in using the same user name and password that was created for your prior application.

For asset protection opportunities please follow the below link:

<https://wegmans.taleo.net/careersection/starfish/jobapply.ftl?lang=en&job=1500425>

***Please note applicants must be available to start for this full time opportunity by May/June 2015.**

For all other opportunities:

- Please visit www.wegmans.com/careers
- Click on **“Search Jobs”**
- Use the Job Search feature to look for positions in your area
- When your search results come back, click on the Position Title of the job that interests you
- If you wish to apply, scroll to the bottom of the description and click on **“Apply Online”**
- Create a unique username and password (username should be all one word-no spaces. Password should be at least 8 characters long including a letter, number and special character.) Once you have entered your unique username and password click **“New User”**
- You can now begin the application process

Thank you again for your interest in Wegmans!

Sincerely,

The Wegmans Recruitment Team
