Legal Services of

New Jersey

Volunteer Intake Paralegal

Many Legal Services of New Jersey clients are facing eviction, threats of domestic violence or a variety of consumer injustices. Clients can access our statewide legal hotline, which provides legal information, advice, and referral. This service is provided at no charge but applicants must be financially eligible to qualify.

We will train you to work on this telephone hotline gathering identification/income information and facts about the caller's legal problems for referral to hotline attorneys.

No legal experience is required. Hours are available in our Edison office, Monday through Friday, between 8 a.m. and 6 p.m.
